Re: New MRI CME Requirement – 24 Credits – Effective Immediately!

The ARMRIT Board of Directors, at the second quarterly Board Meeting, held on July 15, 2015, has voted unanimously to increase the CME requirement to a total of twenty-four (24) credits per renewal period, effective immediately.

MRI Techs renewing at the end of 2016 must show evidence of a total of 24 CME credits performed sometime in 2014, 2015, or 2016.

MRI Techs renewing at the end of 2017 must show evidence of a total of 24 CME credits performed sometime in 2015, 2016, or 2017.

Sincerely,

James F. Coffin, ARMRIT
President

MRI CME Requirement for Renewal

Registry Active Certified MRI Technologists: All Certified MRI Technologists are required to renew their certification for the next three-year period and must submit evidence of eight (8) CME credits per year for a total of twenty-four (24) CME credits in MRI Technology as awarded by the AHRA, ACCME, AMA, ASRT or other qualified CME granting organization.

***CME Topics:** Continuing medical education credits must be derived from topics related to Magnetic Resonance Imaging technology and/or MRI patient care and safety.

A Certificate and ID card will not be released until the CME Requirement is met!

***IMPORTANT:** Subjects other than MRI will not be accepted!!!
If MRI is not in the Title, it will not be accepted!!!
