ARMRIT®

www.armrit.org

American Registry of Magnetic Resonance Imaging Technologists

**** IMPORTANT: RENEWAL INFORMATION for 2026****

The **3-year Renewal expiring in 2029** of your **ARMRIT Certification** can be accessed on the new **ARMRIT Portal** for all **ARMRIT Certified MRI Techs renewing by 12/15/2026**.

Moving forward, all Certification Renewals, Contact Information Updates, Continuing Medical Education (CME) credits verification, and payment receipts will be managed exclusively through the ARMRIT Portal to make managing your credentials faster, easier, and more secure.

If you have not renewed yet and you are in the final year of your certification, please complete the following **three** steps below before **12/15/2026** to maintain your account:

Step 1: Visit the registration web page here: 👉 https://account.armrit.org

Step 2: Enter your username and password. If you haven't created your own login yet, use the temporary credentials from your previous letter:

- **Username:** Last Name Certificate Number
- **Temporary password:** Last Name Certificate Number

If you have logged in before and forgot your password, use the "forgot password" link on the login screen to reset your password.

Step 3: Click the pencil icon next to the email field and enter your **personal email address** for the **ARMRIT Portal** (if you haven't already). Make sure to use the same email for **Webassessor**. Double-check that all your information is correct, updating anything as needed.

Step 4: Click the **Subscriptions** tab on the left side of the page. Find your ARMRIT subscription line and **click the three dots** on the right-select, then select **Renew**.

IMPORTANT: Do not renew without being logged in. If you do, it will create a second account unrelated to your certificate number.

If you have any questions or need help, feel free to visit: https://portal.armrit.org/support.
